## **ART EXPLORERS**

(10) MONDAYS, 1 - 3 PM

SEPTEMBER 15 - NOVEMBER 17

Instructor: Sherri Baun

Join instructor **Sherri Baun** to explore a variety of exciting art techniques. You'll experiment with different watercolor methods, create unique designs by painting with string, discover cool patterns through shaving cream printmaking, and sculpt awesome creations with air-dry clay.

## **MUD PUPPIES**

(10) THURSDAYS, 1 - 3 PM

SEPTEMBER 18 - NOVEMBER 20

Instructor: Sherrie Styx

Young artists will enhance their fine motor skills through playful clay projects! Starting with simple pinch pots, they'll advance to techniques like coiling, slab construction, and even try their hand at wheel throwing. Perfect for budding sculptors who love to get their hands messy!

## **LITTLE MASTERS**

(10) TUESDAYS, 4:30 - 6:30 PM

SEPTEMBER 16 - NOVEMBER 18

Instructor: Marri Barros

Discover how great artists like Picasso, Van Gogh, and Matisse used color, shape, movement, and emotion to create amazing works of art!

Each week, we'll explore a new artist and style through fun projects using paint, collage, drawing, and mixed media.

## **MUD MAKERS**

(10) MONDAYS, 1 - 3 PM

SEPTEMBER 15 - NOVEMBER 17

Instructor: Jennifer Zona

Students will learn techniques such as coiling, slab building, press molds, and wheel throwing to create clay forms. They'll explore how to combine these methods to craft both representational and abstract artworks, expanding their clay sculpting skills.

## **EXPLORE, RECYCLE, CREATE**

(10) WEDNESDAYS, 1-3 PM

SEPTEMBER 17 - NOVEMBER 19

Teacher and artist TJ Schwartz will take students on an exploration of art using a variety of mediums, processes, and recycled materials. Students will explore their creative minds through combining painting, drawing, printmaking, sculpture, collage, and so much more!

## **MAKING COMICS**

(10) TUESDAYS, 4:30 - 6:30 PM

SEPTEMBER 16 - NOVEMBER 18

Instructor: Chad Eckersley

Learn how to develop dynamic characters and bring them to life in action-packed panels with comic book creator Chad Eckersley! You'll build essential drawing skills, explore inking and coloring techniques, and discover how to print your own stories. By the end of this class, you'll leave with several copies of your very own comic book to share!

## **REALISTIC DRAWING TECHNIQUES**

(10) MONDAYS, 6:30 – 9 PM

SEPTEMBER 15 - NOVEMBER 17

PREREQUISITE: INTRO WHEEL

Go beyond the basics with artist Noelle Ringer! This class is designed for students who have completed a beginner wheel throwing course and understand centering and the various working stages of clay. Learn intermediate wheelthrowing techniques such as plates, bowls, vases, bottles and mugs to create new forms and embellishments for functional and beautiful pottery.

\*Students will have supervised access to the ceramics studio on SATURDAYS, 2 – 5 PM, September 20 – November 22

### **CLAY CHARACTER BUILDING**

AGE 13 +

(10) FRIDAYS, 10 AM - 12:30 PM

SEPTEMBER 19 - NOVEMBER 21

PREREQUISITE: INTRODUCTION TO CERAMICS OR EQUIVALENT

Bring your imagination and your handbuilding skills as you create a variety of expressive figurative sculptures with artist **Norbert Shimkus**. Students will learn basic techniques in the creation of unique standalone and articulated figures as well as finishing methods.

\*Students will have supervised access to the ceramics studio on SATURDAYS, 2 – 5 PM, September 20 – November 22

### **INK & WASH ILLUSTRATIONS**

AGES 13+

(10) THURSDAYS, 6:30 - 9 PM

SEPTEMBER 18 - OCTOBER 16

Learn the dynamic process of creating comic book covers and color illustrations with artist **Chad Eckersley**! Chad will guide you through planning your images from initial pencil

sketches to vibrant color studies. You'll then bring your pieces to life with bold linework and luminous watercolor washes. Come prepared with your character or illustration ideas and any photo references you'd like to use!

### **ACRYLIC PAINTING: GAME ON/ LEVEL UP**

AGES 13+

(10) MONDAYS, 6:30 – 9 PM

SEPTEMBER 15 - NOVEMBER 17

The class will begin at acrylic painting level 1: learning about color, composition, and acrylic paint techniques- then level up into explorations of personal style and interests. The class will also include how to develop further as an artist by sketching on paper and digitally, and by becoming more familiar with paintings both past and present. Projects will include various painting genres: landscape, abstract, portrait, still life, while also being free to follow one's own quest as an artist.

### **OIL PAINTING: BASECAMP + SUMMITING**

AGES 13+

(10) WEDNESDAYS, 6:30 – 9 PM

SEPTEMBER 17 - NOVEMBER 19

The class will begin at oil painting base camp: learning about color, composition, and oil painting techniques- then venture into exploring one's own personal style and interests. The class will also include how to develop further as an artist by sketching on paper and digitally, and by becoming more familiar with paintings both past and present. Projects will include various painting genres: landscape, abstract, portrait, still life, while also being free to blaze your own trail as an artist.

### **NON-OBJECTIVE PAINTING**

AGES 13+

(10) FRIDAYS, 10 AM – 12 PM

SEPTEMBER 19 – OCTOBER 17

Learn to build layered surfaces on paper or panels using a range of water-based media, drawing materials, and collage techniques! Instead of relying on external references, the focus will be on responding to color, mark-making, and the interplay of materials to generate unique and expressive works of art. Artist Leanne Thomas will guide students through an exploration of techniques as they create dynamic compositions.

## **METALSMITHING 101**

(10) MONDAYS, 4 - 6 PM

SEPTEMBER 15 - NOVEMBER 17

Dive into the fascinating world of small metals with **Vicki Cook**! This introductory class will cover essential metalsmithing basics, including silver soldering and enameling on copper. You'll create a simple silver band ring, learn to add intricate patterns using chasing and stamping, and fuse colorful vitreous enamel to copper to make vibrant pendants.
