INSTRUCTOR QUALIFICATIONS (may attach a separate page if necessary): Bachelor of Arts/
Communications Grand Valley State University—I am a teaching artist
working in drawing, photography, paper arts and pottery. In teaching, I work
with various materials and learn different processes regularly in order to
expand my creative vocabulary and offer as many different forms of
expression to my students as possible. I believe that the process, and the
journey through the process are much more important than the end result. I
adapt each project, in order to make the process accessible to every
participant.
