COURSE DESCRIPTION (OVERVIEW): We focus on each student's individual level in our wheel throwing class, and all steps of the process are demonstrated and explained, so no one is left behind. If you have never touched a piece of or if you know the basics of wheel throwing, but need to practice a bit more, this classes is perfect for you. Besides wheel throwing, you will also be learning hand building and glazing skills. In our one-day a week class, we will work

together step by step. This class can be repeated so students may continue to build their skill level each semester.
