

***Class title: Elem, Jr High/Sr High Spanish
(Spanish 2 and Advanced are with prior approval only)***

WEBSITE INFORMATION:

[DosMundos.Online](#) is the general website for Dos Mundos
<https://www.facebook.com/dosmundosclasesdeespanol> is the facebook website which is updated with recent class projects. You can SEE what students are able to DO after a Spanish class.

You will learn Spanish through USING Spanish. We don't memorize vocabulary lists or study grammar points. We read books, sing songs, play games and chat in Spanish. About 90% of the class is taught in Spanish (YES! From Day One!). Culture is taught by walking out my door or explaining life in Mexico. (Yes! I am teaching from Mexico!) Homework is required. If you want to learn at a Jr. High or a High school level, you have to do the work of the Jr. High/High school level. The Dos Mundos' Spanish courses cover the same material as a Elementary, high school or Jr. High course.
