COURSE DESCRIPTION

(complete overview shown on website)

GYMNASTICS

Group Gymnastics classes will introduce basic tumbling and flexibility. Gymnastics teaches basic to advanced skills in tumbling, trampoline and acrobatics. Students are placed in groups of up to 10 students based on level and a coach teaches the next skill in a series of skills and disciplines. Every 3rd week, students will have the opportunity to choose some of the disciplines that are unique to our gym: Aerial Silk, Mini-Tramp, Wall-Walking, Lyra as well as building group pyramids. We call this week "Circus Week" At the end of the semester, students will have the opportunity to perform the skills that they have learned.

SYLLABUS/OUTLINE: Weekly Classes vary by skill level, coaches available, and progress throughout the semester. A common class outline would include a 10 minute warm up, 5 mins of large group skill acquisition, Two skill rotations, and 5 minutes of conditioning.

COURSE OBJECTIVES AND APPROXIMATE TARGET DATES

Each student will have different course objectives depending on the level they are working on. Midway through the semester, any students who have made the required progress will be able to move up to the next level.

STUDENT ASSESSMENT - what will be used to evaluate student progress and/or end of semester pass/fail status?

All classes abide by the following:

- 1) Student agrees to attend at least 80% of class sessions/lessons offered.
Attendance is kept online and tracked by Partnership staff. Failure to meet 80% or be on track to meet 80% may result in program discontinuation.
- 2) The Partnership Student Assessment or Performance Form is filled out by the teacher and turned in to Partnership staff. The link to this form is found on the web page for this class. Failing marks for lack of participation, behavior issues, practice time, etc. may result in program discontinuation.

CLASS POLICIES

ATTENDANCE, BEHAVIOR, WEATHER, ETC.

Attendance: Call and email if you know you will be absent and try to schedule a make-up class with the Coordinator. However, space can be very limited so please try to attend all of your scheduled classes as a makeup is not guaranteed to be an option. Unless arranged beforehand, please only attend the classes for which you have been registered. Punctuality is very important as we start class with warm-ups and if students arrive after we have started, it would require us to warm them up separately in order to prevent injury.

Behavior: Be respectful to the teacher and other students. Be willing to try new things but ask for help if needed.

Weather: Look for an email or a text on the day of inclement weather to know if your class will still plan to meet or if alternate class times will be arranged.

Other: Shoes should not be worn on the mats and any leotards must have shorts worn over them.
