# EARLY COLLEGE GUIDELINES

Please read BEFORE signing the front of this form

## 1. **Application:**

New students, including students that did not take a course during the previous academic year, must complete a Lake Michigan College (Early College) application.

## 2. **Eligibility for Enrollment:**

For sophomores, juniors, and seniors, Lake Michigan College requires an overall GPA of 2.5 or higher to enroll in most classes; if a student does not meet the GPA, they must take Writeplacer, and receive a minimum score of 5. Courses with math prerequisites, and Math classes require minimum ACT, SAT or Accuplacer scores. See below:

	Math 122 or 123 (Algebra or Quantitative Reasoning)	Math 128 or 130 (Pre-Calc. Algebra or Trig)	Math 135 (Pre-calculus)	Math 151 (Calc I)
ACT	20	23	25	27
SAT	510 (composite) or 25.5 (section)	550 (composite) or 27.5 (section)	580 (composite) or 29 (section)	640 (composite) or 32 (section)
ACCUPLACER	255 (NGQA)	237 (NGAA)	250 (NGAA)	276 (NGAA)

## 3. **Billing and Payment:**

A billing authorization signature is required to bill for tuition and fees; the school will be billed in full for all course registrations.

A separate form is required for 100% student/parent paid courses. Payment in the form of a check or money order must be attached at the time of registration. Credit card payments are accepted by calling the Billing Office 269-927-8610. Partial payments are not accepted by the college for early college registrations.

## 4. **Course Registration:**

To be officially enrolled in a college credit class, an Early College Registration form must be submitted to Lake Michigan College. Registration forms **MUST** be signed by the student, parent, and school district. Incomplete registrations will not be processed. Correction requests will be directed to the student's email on the front of this form.

## 5. **Student Records and Transcripts:**

Taking a class for college credit creates a permanent record with LMC that may affect future enrollment or financial aid eligibility.

Unofficial transcripts, official transcript requests, schedules, and registration history can be accessed through the student's LMC student profile account. There is a fee associated with sending official transcripts. Please note that you will not receive college credit for a course unless you register (even if you sit through the course).

## 6. **Dropping a Class:**

The official Early College Drop/Add/Withdraw Form must be completed and submitted to the Early College Office at Lake Michigan College for a class to be dropped or withdrawn by the deadline. If a student does not follow the college's drop or withdrawal procedure, the student will receive an 'E' (failing) grade on their college transcript. Classes may be dropped for a refund and removal from the student record by the published add/drop deadline. Classes dropped after the add/drop deadline are processed as a withdrawal and are not eligible for a refund and will remain on the student record with a grade of "W".

**Withdrawing from or failing college classes may cause a student to be ineligible for Federal Financial Aid after graduation.**
